### **PROFESSIONAL SUMMARY**

Licensed Social Worker with nearly ten years of experience supporting children, adolescents, adults, and families across school-based, home-based, and community mental health settings. Skilled in trauma-informed, client-centered practice with a strong focus on emotional regulation, coping skills, and relationship support. Committed to advocacy, collaboration, and creating spaces where clients feel heard and supported.

### **EDUCATION**

Indiana University-Purdue University Indianapolis (IUPUI)

Master of Social Work

Indiana University-Purdue University Indianapolis (IUPUI)

Bachelor of Social Work

### **LICENSURE**

Licensed Social Worker (LSW), State of Indiana

### **PROFESSIONAL EXPERIENCE**

Home-Based Therapist (Virtual) | Indiana

Provided virtual home-based therapy to children, adolescents, and adults experiencing trauma, grief, emotional dysregulation, family conflict, and life transitions. Utilized trauma-informed and CBT-based interventions while collaborating with caregivers and providers to support continuity of care.

## School-Based Social Worker / Counselor | Indiana

Supported students through individual and group interventions addressing emotional, behavioral, and academic concerns. Assisted with crisis response, social-emotional learning, and collaboration with families and school teams.

## CLINICAL FOCUS & APPROACH

Trauma and grief • Emotional regulation • Family dynamics • Life transitions

Client-centered, trauma-informed, CBT and insight-oriented approaches
